# HEAD COACH JOYLYNN TRACY

Joylynn Tracy, in her seventh season as Wright State's head volleyball coach, is a dedicated Raider veteran who has been involved in every facet of the program in the 15 overall years that she has been here.

That dedication has paid off for Tracy in recent seasons as the Raiders have put together an impressive list of accomplishments. In 2002, Wright State pulled off one of its biggest wins ever, defeating #12 Michigan State at the Western Michigan Invitational, and received votes in the Division I American Volleyball Coaches Association's Top 25 poll for the first time ever.

That 2002 success built upon a 2001 campaign that saw Tracy named as the Tachikara Midwest Region Coach of the Year. The honor followed a season that saw the Raiders post their best record since joining the Division I ranks at 21-7. WSU also reached as high as fourth in the regional rankings before ending the year as fifth.

The recognition didn't stop there as Tracy was also named the Horizon League Coach of the Year as Wright State won 11 league contests after winning just four the year before. By finishing third in the standings, the

Raiders posted their highest regular-season league finish since 1992.

Tracy started off her Raider career as a four-year letterwinner as an outside hitter from 1989-92. She led Wright State in kills her final two seasons with 336 in 1991 and 311 in 1992 and collected 711 kills in 294 games during her career. Tracy was also the team MVP in 1992.

She then began her coaching career as an undergraduate assistant during the 1993 season and was the top assistant under Steve Opperman from 1995-97, where her primary duties included organizing practice sessions, recruiting and aiding with match strategy.

Her past coaching experiences also include being the head coach of the men's volleyball club team at WSU and coaching at the Junior Olympic level.

Tracy has been a large part of the Division I success of Wright

# COACHING STAFF

## Associate Head Coach Rob Beam

Promoted to Associate Head Coach in 2003 for his loyalty and tremendous contribution to the program, Rob Beam is in his fifth year overall at WSU. Coach Beam has been instrumental in the Raiders success on and off the court. He has designed several programs to aid in training and development of players and works closely with Coach Tracy on offensive and defensive systems. In 2001, he presented one of his systems at the American Volleyball Coaches Association convention in San Diego. His other responsibilities include organizing practice sessions, recruiting and

aiding in match strategy.

Along with his duties at Wright State, Beam served as Director of Coaching Development this past club season for Dayton Juniors, the club he has worked with since 2000. In 2002, his Blue Angels team placed third in the 17 Open Division at the Junior Olympic Volleyball Championships in Salt Lake City. This was the first team in the history of the club that won a medal at this tournament. In 2003, his 17 Open team finish fifth in the club division at nationals.

Beam arrived in 2000 following a year at Quincy University as the First Assistant for both the women's and men's teams. He was instrumental in the Hawks success in 1999 as they finished as the #16 ranked team in NCAA Division I Men's Volleyball.

Prior to coaching at the collegiate level, Beam worked with both high school and club teams. For two years he coached at Dubuque High School in Iowa. He then coached for the Adversity Volleyball Club in Northfield, Illinois, from 1997-99.

As a player, Beam helped build the men's volleyball program at Clarke College into a perennial NCAA Division III powerhouse. During his career, he captained the team, was named Most Valuable Player and was the recipient of both the Hustle Award and the Senior Athlete of the Year. A defensive standout, Beam was the Midwestern Intercollegiate Volleyball Association leader in digs per game as a senior and finished second in the nation overall. A two-sport standout, Beam was also the Most Valuable Player as a midfielder on the Crusader soccer team. He graduated summa cum laude from the school in 1996.

## Assistant Coach Mike Schroeder

Back for his sixth season on the Raider coaching staff this season is Mike Schroeder, who brings to WSU an extensive background as both a player and coach.

A native of Westerville, Ohio, Schroeder played on the boys volleyball team for South High School and was part of the team that advanced to the state championships. He then played and coached on the men's team at Ohio University, where he graduated in 1994.

Following graduation, Schroeder began coaching with the Miami Valley Juniors, which qualified for the nationals in 1998. In 1999, he led the Dayton Juniors to the nationals, where the team finished 18th in the country in the 18-year-old division. He continued his playing career by playing pro beach volleyball on the AVP Tour for six years.

Schroeder assists Tracy in on-court training and match strategy.

## Student Assistant Allie Smerz

After a successful career that ended last season, Allie Smerz returns in 2004 as a student assistant coach on the Raider staff.

The 2003 Horizon League Defensive Player of the Year, Smerz was also named to the Honorable Mention All-American Team by the American Volleyball Coaches Association.

Smerz was a major reason the Raiders finished ranked seventh in Division I in digs per game at 19.41 as she individually ranked 16th nationally and first in the league in digs per game overall at 4.70. Smerz's 540 digs in 2003 were the second-highest season total ever in Wright State history and her 1319 for her career are good for third all-time.

Smerz coached the Dayton Juniors 16-1's team to nationals in 2004, where they placed 10th in the 16 American division.

A native of Milwaukee, Wisconsin and a graduate of Waukesha Catholic High School, Wisconsin, Smerz will graduate with a bachelor's degree in physical education later this year and will pursue a career in collegiate coaching.

# HORIZON LEAGUE

The Horizon League enters its 26th year of existence, continuing to build upon a strong foundation of institutions with a tradition of broad-based athletic programs, led by administrators and coaches who place a constant emphasis on academic integrity, sportsmanship and personal involvement in the community.

While the name change from the Midwestern Collegiate Conference on June 4, 2001 sparked the League towards a new dynamic image, its primary focus remains on the student-athletes, particularly with regard to its four platforms: athletic performance, academic achievement, community outreach and personal responsibility and accountability.

The Horizon League, based in Indianapolis, has also established specific

goals for upgrading the league's market and competitive position with an eye towards continually enhancing the student-athlete experience. The league is also committed to engage both its staff and member-institution administrators and students to serve on national-level committees. The league is an affiliation of nine institutions with similar athletics goals that provides stability and major-market exposure.

Horizon League markets, including five of the nation's top 30 television DMAs, cover more than nine million TV households and encompass nine percent of the country's television audience. The member institutions are generally located in major metropolitan areas and benefit from the business, cultural, educational and entertainment resources available to the university community.

Originally founded in 1979 as the Midwestern City Conference, the League was a men's only sports league until the 1986-87 season when it added women's athletics. The league features both public and private institutions, committed to fielding broad-based NCAA Division I athletics programs that develop physical fitness, academic development and moral character in its student-athletes.

The Horizon League, which is best known for its men's basketball success, offers a total of 19 championships (nine men's sports and 10 women's sports). The League enjoys NCAA automatic qualification in baseball, men's basketball, women's basketball, men's golf, men's soccer, women's soccer, softball, men's tennis, women's tennis and women's volleyball.

# DAYTON

## Where Innovation Meets Tradition

From the Wright brothers' first flight experiments in their Dayton bicycle shop to the invention of the first self-starting automobile ignition system by Charles F. Kettering, from the cash register to the automated teller machine, Dayton has a strong tradition of encouraging innovation, excellence and service to humanity. Over 900,000 residents and Wright-Patterson Air Force Base call Dayton's metropolitan area home.

Dayton is a place that takes as much pride in historical preservation and parks as it does in high technology. Located in southwestern Ohio's Miami Valley at the confluence of the Great Miami, Stillwater and Mad Rivers, Dayton is a picturesque combination of rolling hills, flowing waterways and open spaces. Dayton boasts more green area than any U.S. city its size. Over 35,000 acres of parks, nature preserves and other greenery beckon you to enjoy your favorite outdoor activities, and a popular river corridor along the Great Miami River offers 26 scenic miles of walking, jogging and cycling.

## In the Heart of the Midwest

Dayton welcomes its visitors with big-city amenities and small-town, Midwestern friendliness.

Dayton's central location among Columbus, Cincinnati and Indianapolis puts major collegiate and professional sports activities, cultural events and other recreational opportunities within easy driving distance. It's one of the nation's most accessible (and affordable) destinations. Chicago, Detroit and Cleveland are all within a day's drive, and Indianapolis and Louisville are even closer. Cincinnati is just 54 miles away.

Each year, over 2.5 million people visit Dayton for business and pleasure. Over 100 festivals and the United States Air and Trade Show, a four-day celebration of flight, delight visitors from all over the nation. The U.S. Air Force Museum at Wright-Patterson Air Force Base, the oldest and largest military aviation museum in the world, has become the state's top free visitor attraction.

Other notable places to see include the National African-American Museum and Cultural Center, the Boonschoff Museum of Discovery, the historic Wright Brothers Bicycle Shop and Carillon Historical Park, a museum designated a National Historic Landmark by the National Park Service.

Dayton is strong in the arts. It boasts the Dayton Ballet Company, one of the nation's oldest regional companies, the Dayton Contemporary Dance Company, the Dayton Philharmonic Orchestra, and the 83-year-old Dayton Art Institute, which houses an internationally acclaimed collection of paintings, sculpture and decorative art spanning many cultures and time periods.

Wright State University offers many innovative programs in a variety of areas through 106 undergraduate programs and 46 graduate and professional degree programs.

Our mechanical, materials, electrical, biomedical and computer engineering programs, and the engineering physics program, are accredited by the Accreditation Board for Engineering and Technology (ABET).

Our Raj Soin College of Business programs are accredited by the Association to Advance Collegiate Schools of Business (AACSB).

The College of Science and Mathematics offers programs in life, chemical, and environmental sciences,

Student Union Market

and in medical technology, as well as a Ph.D. in psychology.

Theatre and the arts, along with a strong communication program, highlight the many programs available in the College of Liberal Arts.

The Wright State University-Miami Valley College of Nursing and Health offers both bachelor's and master's programs to prepare students to meet the current and future challenges of the health care profession.

Other care-related professions are found in the College of Education and Human Services, where students prepare for teaching and counseling opportunities in the public and private school environment and in the corporate arena of training and development and employee assistance.

# ERVIN J. NUTTER CENTER

Wright State University's Ervin J. Nutter Center is a state-of-the-art entertainment and sports complex. The center features a 12,000 seat main arena, four basketball courts, a recreational running track, a multipurpose room, 60,000 square feet of exhibit space and classrooms.

The volleyball program calls the C.J. McLin Gymnasium home. Located within the Nutter Center, the McLin Gymnasium features air conditioning, a state-of-the-art floating wood floor and seating for 600. Being the only team that competes in the McLin Gymnasium, the volleyball program enjoys the great home atmosphere created by the spirited fans and the positive environment of a first-rate facility of their own.

As an entertainment complex, the versatility of the Nutter Center has made it one of the premier stopping points for major tours. Such major acts as Janet Jackson, Gloria Estefan, John Mellencamp, Elton John, Rod Stewart, Reba McEntire, two sold-out shows each of Guns N' Roses and Neil Diamond and a sold-out Garth Brooks have graced the stages as well as AC/DC, Michael Bolton and Phil Collins. Such great family shows as the Ringling Brothers and Barnum & Bailey Circus, Sesame Street, Lipizzaner Stallions, Moscow Circus, Ice Capades, and World Cup Champions on Ice have appeared at the center. Add to these such events as the Queens Own Highlanders and Coldstream Guard, Bobby Knight, Dick Vitale, Greene County Business Expo and various high school events such as chemistry shows and clinics, and you have a facility that

has proven to be an integral part of the community in the years that it has been open.

Home of Wright State's volleyball and men's and women's basketball teams, as well as the entire athletic department's offices, the Nutter Center has been the sight of many spectacular sporting events. The center welcomed the 1991 Women's National Invitational Volleyball Championship and was the site of the 1993 National Junior Olympic Taekwondo Competition. Another Nutter Center highlight has been the five men's basketball conference tournaments that Wright State has hosted in 1993 with the Mid-Continent Conference and in 1995, 1996, 1997 and 2001 with the Midwestern Collegiate Conference. The center has hosted high school events such as the Ohio State Volleyball and Wrestling Tournaments, sectional, district and regional basketball and volleyball play and the Miami Valley Basketball Fest. The Nutter Center has achieved a reputation, both nationally and locally, as a site for high caliber sporting events and competitions.

The facility has been heavily booked from the day it opened, averaging approximately one million guests per year. The Nutter Center started off on a path of a variety of entertainment and sporting events that sold out or pushed capacity on a regular basis. For its capacity, the Ervin J. Nutter Center was ranked the second highest grossing facility in the United States and third in the world for ticket sales in 1995, according to *Amusement Business* trade magazine.
